510.238.5091

Bay Area Community Services (BACS) is committed to doing whatever it takes to uplift underserved individuals & their families.

The Housing Resource Centers are a collaborative, county-wide effort serving literally homeless single adults across Alameda County.

The BACS HRC works with individuals in Oakland.

BACS' Housing Resource Center coordinates all county resources to connect high needs individuals with housing. Our goal is to end homelessness, permanently, in our community.

Anyone who visits our center can access:

- ♥ Legal workshops
- ♥ Housing education and individual housing counseling
- ♥ Assessments for high need
- ♥ Connections to other resources

Those who qualify will receive:

- ♥ Housing navigation services
- ♥ Streamlined access to shelters and housing
- ♥ Prevention services and financial assistance
- ♥ And more

To connect with Keep Oakland Housed, which helps current Oakland residents stay in their housing through emergency financial assistance, social services, & legal support, please visit during our office hours.
